

phys::PhysicsEngine

```
classDiagram
    class phys_SimAnneal["phys::SimAnneal"]
    class phys_PhysicsEngine["phys::PhysicsEngine"]
    phys_SimAnneal --|> phys_PhysicsEngine
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'phys::SimAnneal'. A blue arrow points vertically upwards from this box to a white box labeled 'phys::PhysicsEngine' at the top. This indicates that 'phys::SimAnneal' inherits from 'phys::PhysicsEngine'.
